

YEAR 9 Careers Programme

Year 9 AIMS:

Students will be able to outline expectations of future employers.
They will be able to identify the skills that are needed to make them employable.
They will understand the career options available by selecting their GCSE options.

SCOPE and careers focused lessons in Autumn and Spring term

- Support in selecting GCSE options.
- Skills needed in employment.
- Period one activities including the Community Influencer Award from SLQ

Learning outcomes	Delivery/Provision (in addition to careers focused PSHE series)	Performance indicator	Assessment / Evaluation
Students will be able to identify their strongest skills that are needed to make them employable.	Unifrog online resources 'Your skills, your team, your future'. This will be in ICT lessons.	Students can highlight the careers they are interested in and demonstrate the career paths linked to the skills they have.	Completion of Unifrog activity.
Students are introduced to different careers linked to subjects that will be chosen for GCSE.	All students will look at subjects that link to specific careers. They will use Unifrog (Resource Library). Held in ICT lesson before options evening.	Students can discuss at option evening the best GCSE for a specific career.	Low changes to GCSE subjects at start of year 10.
Exploring careers and routes/pathways at aged 16 and beyond.	Delivery by workshop linked to Career Ready and Careers Lab.	Students will have understanding of how to find a job or apprenticeship and be able to explain some of the skills required at an interview.	Student evaluation and feedback.
Introduction to specific careers.	All students have access to KUDOS to allow them to explore possible careers directions.	All year 9 students have taken the test to explore their perfect career.	100% log onto KUDOS and test taken.
Exploring different careers and matching with skills and qualifications.	Students will complete the icould Buzz personality test. This highlights strength and skills that each student has to enable them to match up with career choices.	Classroom (tutor bases) of some of the animals and careers linked using the icould website.	Students have completed the Buzz personality test and understand their strengths.
Students will discover life skills including, Communication, Self-belief, Teamwork, Self-Management and problem solving.	Period one curriculum will focus on the Community Influencer Award from SLQ.	Students will complete an Evidence Passport. Students will be able to show skills for future Career choices.	Feedback and evaluation from Form Tutor. All students meet learning outcomes from SLQ and are awarded the five badges.
