

Selecting Options in the Student Portal

Find and click on **Options** in the Menu

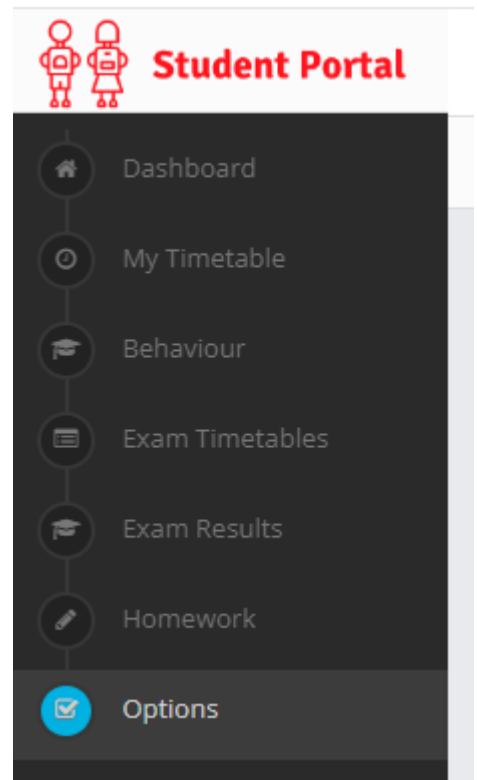

You need to select one subject as first choice in each block and one subject as reserve.

Do not select the same subject twice.

If you change your mind, click on the **red bin** to delete you choice.

Once you have made your choice, click **Next** to move to the next block.

Ignore the warning regarding selecting one from each block, this will disappear when you have finished.

A screenshot of the "Year 9 Options Spring 2024" form. At the top center is the school crest, a red castle on a hill with waves below it, and the text "SHOEBURYNNESS HIGH SCHOOL". Below this is a blue header bar with the text "Year 9 Options Spring 2024", "Name: [input field]", "Tutor group: [input field]", and "Common rules: A subject can only be selected once • Choose 1 item from each group". Below the header is a progress bar with five numbered circles (1-5), where circle 1 is highlighted with a blue border. Below the progress bar is a light blue box titled "Block 1" containing four rows of radio button options: "Espanol" and "Reserve", "French" and "Reserve", "Geography" and "Reserve", and "History" and "Reserve". To the right of each row is a red bin icon. At the bottom right of the form are two buttons: "Save for later" and "Next →".

When you have made your four choices, you will be shown a screen with them all on. Check that you are happy with your choices. Make sure that you haven't selected any excluded combinations.

When you are sure everything is correct, click **Submit**

You will not be able to change your choices once you have clicked Submit.
