

### Course teachers

- **Year 12:** Mr Frost and Miss Withams
- **Year 13:** Miss Spinks and Mr Smart
- **Head of Geography:** Miss R Withams

### Exam board: Edexcel

<https://qualifications.pearson.com/en/qualifications/edexcel-a-levels/geography-2016.html>

### Assessment Scheme

The course is assessed through three examinations at the end of Year 13 and a Non-Examined assessment:

- **Component 1:** 2 hours 15 mins. Physical Geography
- **Component 2:** 2 hours 15 mins. Human Geography
- **Component 3:** 2 hour 15 mins. Synoptic
- **Component 4:** Non-examined assessment. Independent Fieldwork Investigation.

### Course expectations

- Complete a **minimum** of 5 hours independent study per week.
- Attend the required fieldwork days.
- Attend the timetabled after school or lunchtime study sessions.
- Be resilient. Don't give up. Make the effort that is required to be successful.
- Ask for help. Find your teachers outside lessons or email them.
- Act upon the feedback given to you.

# Geography

## *Advanced-Level*

Statistics show that compared with other subjects, geographers are among the most employable.

Do you enjoy:

- Learning more about the world and how we impact it?
- Developing independent research skills that will help you in further education and careers?
- Working in a term with other students?
- Learning through investigation?

**If 'yes', then Geography A level is the ideal subject for you!**
