

Safer Internet Day 2025

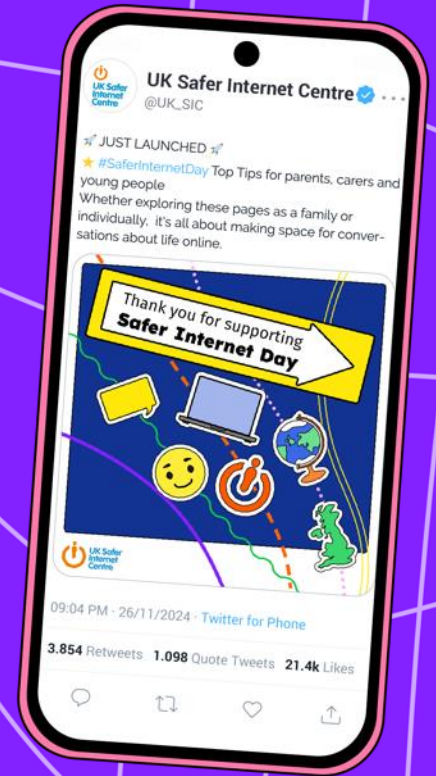

Assembly

UK Safer
Internet
Centre

NOMINET

A stylized illustration of a laptop with a blue screen. The screen displays the text "Picture the victim of a scam online. Who are they?". The laptop is centered within a white rectangular frame, which is set against a purple background with a white grid pattern.

Picture the victim of a scam online.

Who are they?

What signs of a scam do you know?

Too good to be true?

False urgency?

A 'trusted' voice?

Getting emotional?

Unexpected contact?

**Asking for money or
personal information?**

Phishing

**Online
shopping
scams**

Impersonation

**Romance
scams**

**Money
muling**

Demi buys some new clothes online from a new app.

All the clothes on the app look great and are on trend. They are cheaper than the shops, so Demi orders two items to see what they are like.

The items arrive after 4 days but they are not great quality. Is this an online scam?

Yes

No

Tashan is expecting a call.

He answers a call from an unknown number and the person tells them that they are calling from his bank and they name the bank. It is Tashan's bank and the person says that there has been suspicious activity on his account.

The person on the phone states Tashan's postal address and account number. The person then asks Tashan for his security code.

Is this an online scam?

Yes

No

Joel needs a tie for a family event.

He goes on a second-hand clothes app and finds a silk tie for £3 and orders it.

The tie does not arrive, so Joel messages the seller.

The seller does not reply and when Joel tries to report them, he finds that they have deleted their account.

Is this an online scam?

Yes

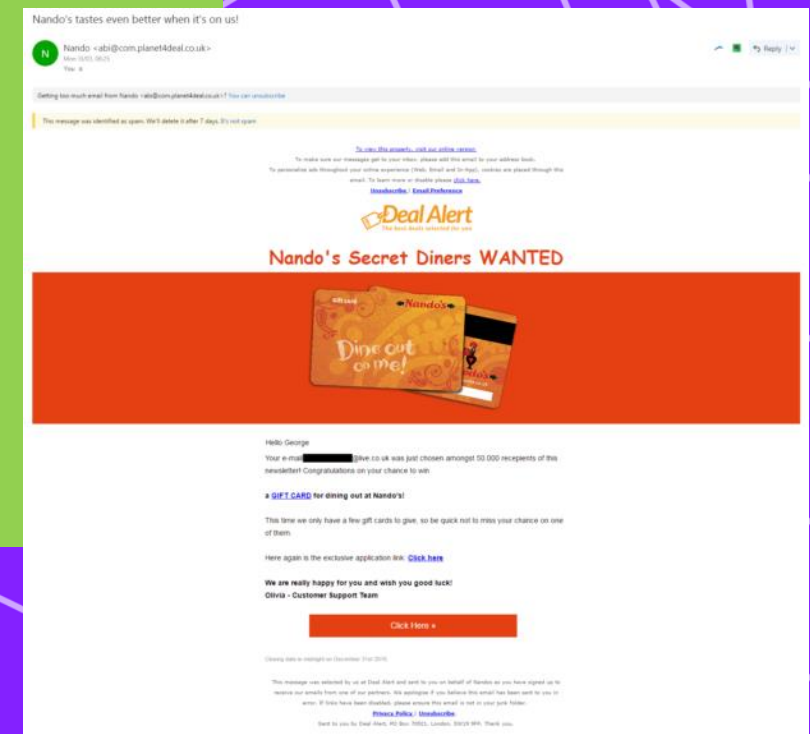

No

Riyad sees an advert on social media with an offer from their favourite fast food chain. The offer is for a really cheap meal for two, so Riyadh shares it with his friends.

Riyad clicks on the link, chooses his meals and goes to the checkout page. He pays for the meal and gives his contact details and address.

Choose the sign that this was a scam.

**A: It's too
good to be
true**

**B: It was an
ad on a
social
media page**

**C: The
checkout
page**

Shania receives an email from a high street sports shop.

The email has the right logo and there are no spelling mistakes.

The email says ‘Dear valued customer, we are offering you 60% off everything in our online store’.

Choose the sign that this could be a scam.

**A: Spelling
mistakes**

**B: Time
pressure**

**C: The email
is not
addressed to
Shania**

Seamus is on the home laptop and doing some research for homework.

Suddenly, a virus alert pops up on his browser saying his computer is not protected with a link saying ‘take action now’.

Seamus remembers that he has been ignoring update requests and can see a red cross in the bottom right of the screen.

How can Seamus protect himself?

A: Change his password and set up two step verification

B: Click the link and install the virus protection software

C: Close the browser and open his laptop's virus protection software

Bella discovers that her gran has bought her a new designer hoodie from a scam website. The website has her gran's name, address, phone number and bank details. Who should they report this to first?

**A: Gran's
bank**

**B: Action
Fraud**

**C: National
Cyber
Security
Centre**

Molly gets a Snapchat message from her friend saying her Insta account is posting weird offers and cryptocurrency advice.

Molly tries to open the app on her phone, but she has been signed out and her password no longer seems to work. She tries to reset her password using the 'Forgot password?' button but doesn't receive any emails.

Molly realises her account has been hacked and she can no longer access it.

Where should Molly report this?

**A: To Instagram
and to her friends
and family, so
they can do the
same, then to
Action Fraud**

**B: To Instagram
only. This isn't a
matter for the
police.**

**C: To Instagram
and to her
friends and
family, so they
can do the
same.**

Using strong and separate passwords

Taking caution with online purchases

What can you do to protect yourself from scams and fraud online?

Using 2SV

Look out for the signs of a scam before deciding if something online can be trusted

Talk to a trusted adult if you're unsure

If you've been the victim of a scam, report it to
ActionFraud.police.uk or by calling **0300 123 2040**
Or in Scotland by calling **101**

Forward suspicious emails to
report@phishing.gov.uk

Forward suspicious texts to **7726**

Report fake adverts to the **Advertising
Standards Authority**

Report fake websites to the
**National Cyber Security
Centre**

○○○

**You can also
usually report
social media
users or sellers
on online
marketplaces
directly in
the app**
