Headteacher: Mrs Teri-Leigh Jones

Summer 2026

Dear Parents and Carers

I hope you don't mind receiving a letter from a secondary school in the middle of your summer break!

I wanted to write because, as Headteacher of Shoeburyness High School, I think it is important that families within our local primary school community hear about some of the things that are happening here.

Over the past fortnight, our students have received their A Level, vocational and GCSE results and we have had a great deal to celebrate.

This summer marks the **third consecutive year in which our GCSE outcomes have improved across key measures**, whilst our Sixth Form students have once again achieved extremely strong results and are progressing to universities, apprenticeships and employment.

We are immensely proud of them.

What makes me particularly proud, though, is that these are young people from our community. They have grown, learned and succeeded here, supported by talented staff and by families who have worked in partnership with us.

Shoeburyness High School has changed and developed a great deal in recent years, and our examination results are one visible sign of that progress.

We have high expectations of our students because we are ambitious for them. We expect our young people to work hard, behave well and make the most of the opportunities available to them. Alongside that, we place great importance on knowing our students as individuals, providing strong pastoral care and ensuring that school offers much more than academic qualifications alone.

For families with children approaching secondary school age, I know just how significant the decision about secondary education can feel. You will quite rightly want to know that your child will be safe, happy, known, challenged and given every opportunity to succeed. Those are exactly the things we want for the young people who join us.

• EMPOWERING CHILDREN AND SCHOOLS •

I am also passionate about the importance of strong local schools. Our children should be able to grow up within this community and have access to an excellent education, ambitious opportunities and successful pathways into their futures right here in Shoeburyness.

If Shoeburyness High School is one of the schools you will be considering for your child, I hope our continued improvement gives you every reason to take a closer look at us. We would be delighted to welcome you into school and show you what being part of our community is really like.

For now, enjoy the remainder of the summer, and please accept my very best wishes to you and your family.

Warm regards

A handwritten signature in black ink, appearing to read 'T Jones', with a small dot at the end.
