

Art (Fine Art)

A-Level Edexcel

The Course

During the A-Level Fine Art course you will:

- Develop and extend your existing artistic skills, whilst experiencing new materials and processes
- Develop evaluating and analysing skills
- Participate in a study trip in order to gather resources for a thematic study
- Carry out private study activities including observational studies and contextual analyses of artists and designers who share your ideas or style

Assessment

The A-level course is 60% coursework and concludes with a 15 hour timed examination based on an externally set theme (worth a further 40%). A substantial body of work based on this theme and advanced technical skills and inventiveness are essential when producing coursework and supporting studies for the examination.

Entry Requirements

A-Level entry requirements plus:

- Grade 5+ in GCSE Art

Careers & Higher Education

Studying Art could lead to University study and careers in a wide range of areas, including art, design, fashion, media, architecture, journalism, education and a wide range of other professions where creativity is vital.

Art has the power to transform, to illuminate,
to educate, inspire and motivate.

Harvey Fierstein
