A very warm welcome to Shoeburyness High School

University & Careers Fair

This is our fourth annual University & Careers fair, and it's going to be our biggest ever!

This evening we have guests from more than 20 Universities as well as a range of employers, apprenticeship providers and careers advisers. They are all here with the same purpose—to help you to explore the range of options that are available to you after you complete school and Sixth Form!

Employers: we will have representatives from more than twenty employers, many of whom offer apprenticeship opportunities, from both local and national companies.

Universities: we will have representatives from more than fifteen Universities, both from the local region and further afield.

Our guests will be located throughout the Singleton Centre in rooms G2, G8 and G9 as well as in the Singleton Centre Street.

In The Street you will also be able to seek guidance from the Careers Service and from the Shoeburyness High School Sixth Form team.

Remember to ask as many questions as you can and gather as much information as you can—enjoy your evening!

Tonight is also our annual

Sixth Form Open Evening

It is never too early to be informed about the options which are available to you after Year 11, so tonight is a chance for you to explore the options that are available to you in the Sixth Form and beyond.

In G1 at 6:30pm and 7:30pm:

Why go to University?

Presented by the University of Hertfordshire

In the Wendy Owen Hall at 6:15pm and 7:15pm:

Applying to Sixth Form

Presented by Mr M Smith, Head of Sixth Form

Sixth Form staff will be available in the Singleton Centre throughout the evening to answer any questions relating to our entry requirements, applications and the process for joining the Sixth Form.

Subject staff will be on hand in classrooms throughout the Singleton Centre to discuss their courses.

Please remember that the curriculum offer in the Sixth Form may change each year; this may be due to changes introduced by Government, exam board changes and staffing changes within the school.

We hope you enjoy your evening with us. If there is anything else you need to know about our Sixth Form, please do not hesitate to ask.
