Supplementary Courses

Core Maths:

- Any student who is studying a Science A-Level (including Psychology) will be expected to continue to study Maths in Year 12.
- If they are not studying A-Level Maths, they will be expected to study Core Maths for 1 year.

GCSE resits:

- Any student who has not achieved a minimum of grade 4 in GCSE Maths or GCSE English (Language or Literature) must resit the GCSE course until grade 4 is achieved.
- This is a condition of enrolment in the Sixth Form

Points to note

Maximum student numbers: Our most popular courses will often have full classes, with a maximum of 25 to 30 students for most subjects (although some specialist subjects are smaller).

All applications received by **18th December 2026** will be treated equally when offers are made.

Any applications received after this date will still receive an offer of a place but places on individual courses will be subject to the number of students enrolling on those courses on results day.

Why choose SHS Sixth Form?

Guaranteed Teaching Hours with expert qualified staff

All courses are taught by expert specialist subject staff and have 5 hours timetabled teaching time each week; there are no reductions in timetabled contact time.

Breadth of Curriculum

Few schools can offer a curriculum with such breadth, including a full range of academic A-Level courses alongside our applied courses such as BTECs and new V-Levels.

Dedicated Sixth Form Year Manager

Like the Year Managers lower down the school, Sixth Form Year Manager Mrs Garrod works with me to provide support and guidance to all Sixth Formers to ensure that they are successful.

Wednesday Afternoon Enrichment

For Period 5 on Wednesday, all students can choose from a range of activities to enhance their learning and support their wellbeing.

Careers Guidance

In the Sixth Form, Mr Cooper continues to provide fully independent careers advice, alongside a full programme of information on apprenticeships and career skills during Tutor Time.

Friday Afternoon Home Study

All students have the opportunity to leave school early on Friday and complete their studies at home. This is included on the timetable without reducing the number of lessons in each subject.

Record Number of University Applications

A record number of SHS students have progressed to University in 2026. Our mentoring will ensure that all students make good choices and have high aspirations.

Facilities for Private Study

Students have access to excellent facilities for their study periods. Private Study sessions are supervised to ensure a good working environment.

Feedback from returning students

These are comments from students who were at Shoeburyness High School for year 11…then left to go to another Sixth Form…but came back to SHS in September.

"******* was badly organized; I heard good things about SHS Sixth Form from friends who were already here"

"The work at ******* wasn't challenging enough…I know the teachers at SHS so I came back because I knew what it would be like"

"I didn't like the travel to *******. The courses seemed badly structured and the teaching was boring"

"The travel to get to ******* was awful…I came back to SHS because of the course options and lots of my friends stayed here"

"I didn't know anyone at *******…I felt alone. I came back to SHS because I knew my friends were here. The lessons are so much better and enrichment is really good"

"I hated the travel to *******. The teachers didn't seem to care. I came back to SHS for the friendly environment, and my friends were already here."

Go and meet our current students!

Don't take my word for it…many of our current students are here tonight to talk to you!

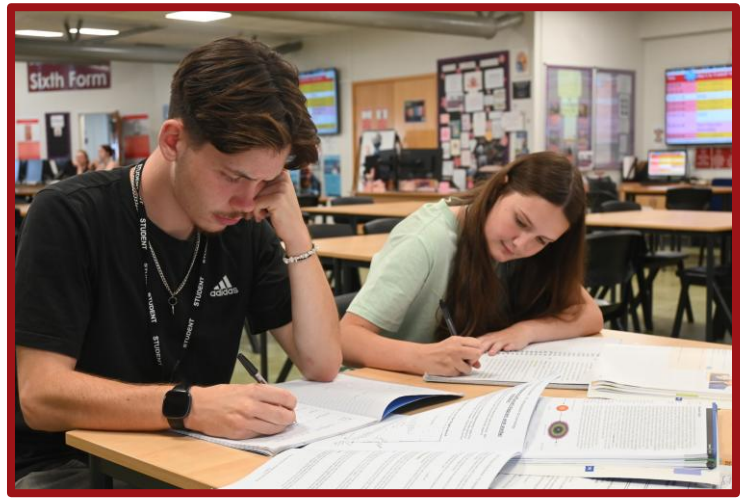

You can meet some of our current students in G10 and G11…you can ask them anything you like about being part of SHS Sixth Form, and why they chose to be here!

- Students who joined from other schools
- Students who tried another Sixth Form or College
- Students who have been here for 5+ years
- Current year 13 student leaders
