Dear Parents and Carers,

We have been made aware of a member of our school community who has tested positive for COVID-19 using a LFD test.

This case is within a small year 10 bubble and following a risk assessment, completed with the PHE, **students who have been identified as being a contact of the affected individual have already been told to self-isolate whilst we await the results of a confirmatory PCR test.**

All other students should continue to attend school as normal if they are well. I would like to take this opportunity to continue to urge all our students to keep up with the twice weekly LFD testing.

### **What to do if *your* child develops symptoms of COVID 19**

If your child develops symptoms of COVID-19, they must not come to school and should remain at home for at least **10 days** from the date when their symptoms appeared. Anyone with symptoms will be eligible for testing and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.

Further information is available at:

Yours sincerely
