Sixth Form

Start of Course Information

Business

Advanced - Level

Business A-Level offers students the opportunity to study different types of businesses in different industries and look at the different factors that help make decisions.

Business can be a complex subject and will require hard work and effort in each aspect of the course. Business Studies will also require your own independent learning outside of class hours to enhance your own learning.

Business Studies can lead to a world of opportunities and will enable you to go on to study at any university or go into the world of work.
