Performing Arts

Level 3 Diploma

At Level 3 the Performing Arts course equips students with the skills, knowledge and understanding that is required for entry into employment or further study/training within the Performing Arts industry. The course offers practical structured learning within the musical theatre discipline, focusing on all strands of acting, singing and dancing.

It is a rewarding subject in which you will work both independently and as a group to develop your understanding of the subject, skills and knowledge and apply these to a variety of different performances in front of a live audience.
